

THIS YEAR'S SHOWHOUSES

Traditional Home Hampton Designer Showhouse

KEITH BALTIMORE | *BALTIMORE DESIGN CENTER*
@BALTIMOREDESIGNCENTER

My design inspiration was how I want you to feel the moment you enter this Hamptons retreat - taking a deep breath of relaxation in a gauzy haven of calm and tranquility. Like a soft embrace, the creamy color palette wraps around you. My greatest design challenge was the non-descript ceiling; notice the sensation of breezy coziness created by the linen tented canopy, echoed in the informal aesthetic of the slipcovered environment.

Products used: Wallpaper: Cole & Son Strand in White 107/7032.CS; Window panel: Le Parnasse, Elmira Embroidery 8017107.11; Drapes: sheer fabric Railroaded 3686-101; Chair: Durance, Chamas Stripe 8017103.11
