## ART DECO GLAM

---

### 180 EAST 38TH STREET – APARTMENT 18H

Prolific interior designer Keith Baltimore welcomes you to this spacious and sunny Murray Hill apartment on the 18th floor of a hi-rise building that he transformed into a striking Art Deco residence, emanating warmth and glamour.

The door opens into a foyer with stunning mirrors accented by cobalt blue glass, followed by a graceful spot-lit sculpture. Fluted white columns divide the areas without diminishing light. Throughout the eleven rooms, black and white are contrasted against periwinkle walls and rich oak colored wood, a backdrop for the elegant furnishings and luxurious materials.

Evoking this era of voyages by sea, rich highly lacquered Bird's Eye maple wood sweeps around the kitchen walls and doors have a custom-made port-hole motif.

The adjacent dining area is framed by dramatic black leather crocodile skin wallpaper and banquettes. A back-mirrored bar with three stools is the setting for home entertaining, adjacent to a beautifully lit and comfortable living room, where attractive wall art and palm trees reflect the design period and color scheme. Sparkling white wood doors accented by black molding and Swarovski crystal hide a bathtub.

On your visit, more rooms await you to discover the creativity and ingenuity of Keith Baltimore's talent.
